

OUR ECONOMIC REPOSE TO COVID-19

The Morrison Government is delivering a range of initiatives to help keep business in business and Australians in jobs. This includes:

-  **JobKeeper Payment**
This will help businesses significantly impacted by COVID-19 to continue paying eligible employees.
-  **Increasing the instant asset write-off**
Lifting the threshold to \$150,000 (from \$30,000) and making more businesses eligible to use it. This has been extended to 31 December 2020.
-  **Backing business investment**
Offering businesses a time-limited 15 month incentive to invest, by accelerating depreciation deductions.
-  **Supporting apprentices and trainees**
Wage assistance to help small businesses to keep their apprentices and trainees.
-  **Cash flow boost for business**
Providing temporary cash flow support of up to \$100,000 to eligible small and medium-sized businesses, and not-for-profits, so they can keep operating, pay their rent, electricity and other bills and retain staff.
